About Me

Experienced Content Writer, skillful in researching, writing, and publishing compelling content. Results driven and adept in driving the production of meaningful and original content for various media platforms and clients. Moreover, inheriting the skills and knowledge on web development. I find it my sort of thing and I see my future bright in it. In coming years ahead, I want to see myself as an IT professional contributing in any sector related to it.

Experience

Website Designing

Designed and developed the frontend of the website named IT Nepal Solutions (<https://itnepalsolutions.com>) and delivered its web content and blogs. Apart from these, some of the other frontend designs of the websites that I designed includes: <https://newgaurishankar.com.np/>, <https://adhikarisulav81.github.io/blooddonations/>, <https://shf.itnepalsolutions.com/>, <https://sulavadhikari.com.np/>

Nepal Journals Online (Unity Journal)

Article Writing

Participated in an article writing competition for unity journal publication organized by Nepali Army and got reward and certificate of appreciation from the Nepali Army. Also, the article was published in the Nepal journals online website.
